Summary:

This is a collection of Adsense ready web sites, complete with multiple articles for each web site, keys words and each site is already optimized so that you can start making an Adsense income immediately!

There are literally TONS of books out there telling you how to make money with adsense!

How many do you own?

Have they helped you at all?

Have you made a single cent more because of them?

Actually, some of them are quite good, but there's an important piece that's missing from every one of them, an important piece that's preventing you from taking advantage of that VERY lucrative way to make unlimited amounts of money.

In fact, Adsense is SUCH a lucrative source of income that there are many people who make an excellent living doing nothing but Adsense!

What if....?

I could offer you a solution that required absolutely NO technical knowledge, a plug and play way to start yourself on the road to Adsense bucks - would you be interested?

What if this was so simple that you didn't have to know html, didn't have to read ANY books on Adsense if you didn't want to, in fact, all you had to do was make a simple change to insert YOUR Adsense account info on the ready-made pages and upload them into some directories that you set up, then run them in the search engines, blogs or any number of things that you can do to drive traffic to your web pages?

Lets do a quick potential earnings you can do with With These Fully optimized Adsense ready websites...

If each website earns you about \$30/month (that is, if every website is generating the minimum \$1 each day). Multiply this collection of websites and you got \$4650/month, and this is a very minimal calculation of your potential earnings.

You can use some of these web sites, or all of them.

You don't have to have a different domain for each of them, there's no need. Simply create the appropriate directories and upload each web site into it's own directory. If you have related products, you can add them in, or have someone add them in for you.
